PLEASE TAKE NOTICE that in advancing the Town of Henrietta's environmental review of the southwest quadrant comprehensive plan implementation, including its consideration of measures aimed at promoting smart growth for industrial development in the Town (the "Project"), the State Environmental Quality Review Act ("SEQR") provides that the next step is the consideration of a Final Generic Environmental Impact Statement ("GEIS").

PLEASE TAKE FURTHER NOTICE that the engineering consultant for the Town, in cooperation with the Town staff, has prepared a proposed Final GEIS for the Town Board's consideration, which is available for public review at the Town Clerk's Office at 475 Calkins Road, Rochester, New York 14623 and on the Town's website at www.henrietta.org.

PLEASE TAKE FURTHER NOTICE that prior to its formal consideration of the proposed Final GEIS, the Town Board would like for the public to have the opportunity to review, ask questions on and otherwise remark on the proposed Final GEIS.

PLEASE TAKE FURTHER NOTICE that, therefore, a public informational workshop and outreach forum on the Project will be held at the Main Meeting Room at Henrietta Town Hall, 475 Calkins Road, on July 20, 2016 at 7:00 p.m.

PLEASE TAKE FURTHER NOTICE that the purpose of the workshop and forum is to provide the public with an opportunity to review the proposed Final GEIS, ask questions on the same and remark on the same.

PUBLIC INFORMATIONAL WORKSHOP & OUTREACH FORUM

AS ACTED UPON DURING A DULY NOTICED OPEN MEETING OF THE TOWN BOARD OF THE TOWN OF HENRIETTA, COUNTY OF MONROE, STATE OF NEW YORK, HELD AT THE HENRIETTA TOWN HALL AT 475 CALKINS ROAD, HENRIETTA, NEW YORK ON JUNE 15, 2016 AT 7:00 P.M.

RESOLUTION #14-133/2016

On Motion of
Councilman Page

Seconded by
Councilman Adair

WHEREAS, the Town of Henrietta seeks to implement updates to its Comprehensive Plan, including reviewing and promoting smart growth for industrial development in the Town (the "Project"), and

WHEREAS, the Town has commenced an environmental review of the Project, including preparing and considering a Generic Environmental Impact Statement ("GEIS"), and

WHEREAS, on March 16, 2016, the Town Board determined that the Draft GEIS was adequate for public review and established a public comment period through April 18, 2016, and

WHEREAS, the Town Board held a public hearing on the Draft GEIS on April 6, 2016, and

WHEREAS, the State Environmental Quality Review Act ("SEQR") provides that the next step in completing the environmental review of the Project is the approval of a Final GEIS, and

WHEREAS, the engineering consultant for the Town, in cooperation with the Town staff, has prepared a proposed Final GEIS for the Town Board's consideration, and

WHEREAS, prior to its formal consideration of the proposed Final GEIS, the Town Board would like for the public to have the opportunity to review, ask questions on and otherwise remark on the proposed Final GEIS, and

WHEREAS, though SEQR does not provide for a "public hearing" upon a proposed Final GEIS, the Town Board would nonetheless like to provide an opportunity for further public outreach on the project prior to its consideration of the proposed Final GEIS.

THEREFORE, BE IT RESOLVED, that the Henrietta Town Board hereby calls for a public informational workshop and outreach forum on the Project to be held at Town Hall on July 20, 2016 at 7:00 p.m. in the Main Meeting Room, 475 Calkins Road, Rochester, New York 14623.

BE IT FURTHER RESOLVED, that the Town Clerk advertise for the same.

BE IT FURTHER RESOLVED, that for purposes of clarity and in order comply with SEQR, the Town Board wishes to clarify that the workshop and forum is not for purposes of collecting comments on the Draft GEIS since the Draft GEIS public hearing was held on April 6 and the comment period for the same closed on April 18, 2016.

BE IT FURTHER RESOLVED, that the purpose of the workshop and forum is to provide the public with an opportunity to review the proposed Final GEIS, ask questions on the same and generally remark on the same.
