 County of Monroe • State of New York
 475 Calkins Road, P.O. Box 999, Henrietta, N.Y. 14467

Monroe County has changed the format of the tax bills to be two (2) pages rather than one (1).

1. The first page of the bill looks relatively similar and has information about your property, assessment, and tax bill amount. Retain this first page for your records.
2. The second page of the bill has the payment stubs that need to be included with your payment.

Please note that with this new tax bill format, you no longer need to mail the entire bill in order to request a receipt. Instead, in order to request a receipt, you'll need to check the box on the upper right corner of the payment stub labeled "Check here if receipt requested".

When paying your taxes in our office, please bring the entire bill with you so that we can stamp the first page for your records and so that we can retain the payment stub on the second page for our records.

As always, if you have any questions about your tax bill, please call the Town Clerk's Office at (585) 359-7035.
