

HENRIETTA RECREATION CENTER

Construction
Update

They Can't Wait.....

September 2016

There are a lot of anxious people in town. Anxious for the opening of the new Recreation Center. After a busy summer people are starting to focus on cooler months and indoor activities. What better timing to enjoy our new Recreation Center!

Since our update last month:

- The exterior siding and brick work is finished
- Painting and flooring will be done by the end of the month
- Landscaping, sidewalks and curbing will begin in anticipation of paving the parking lot
- The heating and air conditioning systems are complete
- Electric work and the water supply are scheduled to be completed by mid-October
- And soon, the building generator will arrive and be installed
