Town of Henrietta Planning Board  
Mr. James Grunert, Chairman  
475 Calkins Road  
Rochester, NY 14623

RE: 4799 West Henrietta Road-Lot 2 Development

Chairman Grunert and Board Members:

On behalf of Kerry Ventures West Henrietta LLC., we submit the following materials for consideration of Final Site Plan Approval:

- 14 copies of this Letter of Intent
- 14 copies of the Letter of Authorization
- 14 copies of the Site Plan Application
- 14 copies of the completed Site Plan Checklist
- 14 copies of the Short Form EAF
- 14 copies of the Site Plan Drawing Set
- 14 copies of the Building Elevations and Renderings
- \$150 Site Plan Application Fee
- \$700 Engineering Plan Review Fee

The 0.63-acre subject property is located at 4799 West Henrietta Road (Lot 2), in the Town of Henrietta Commercial B-1 Zoning District (Tax ID 175.03-1-3.132). The developer wishes to construct a +/- 2,325 SF quick service restaurant in accordance with the subdivision and master plan which was approved by the Planning Board in April of 2021.

The new restaurant will include outdoor patio seating and a 12' wide drive through lane for pickup orders only. The development will consist of drive access to the new private drives constructed for the Burger King Project on Lot 1, giving the property access from West Henrietta Road (NYS-15) and Lehigh Station Road (C.R. 79).

The project also includes 26 parking spaces (2 ADA parking spaces), a stormwater management facility, new water service, new sanitary service, public sewer main for future developments, and new lighting/landscaping.

Since the restaurant will include outdoor patio seating and takeout service, the applicant is looking to obtain a Special Use Permit for this development from the Town Board. An application is being submitted to the Town Board concurrently with this application.

The project will disturb approximately 0.65 acres. This project is part of a larger master plan between all three lots of the previously approved development and therefore will fall under the current NYS SPDES General Permit GP-0-20-001 for stormwater discharges. The current permit number is NYR11H960. No changes are proposed to the previously reviewed and approved stormwater management facilities shown in the plans.

**PROJECT SITE: 4799 West Henrietta Road Lot-2**

We respectfully request to be placed on the August 20<sup>th</sup>, 2024, Planning Board agenda for consideration of Final Site Plan Approval. We look forward to discussion of the merits of this proposal at that time. Please contact me directly with any questions requiring attention prior to the meeting. Thank you,

Regards,
